WHAT EXTRA PRECAUTIONS AND CLEANING PROTOCOLS WILL BE TAKEN?

Current cleaning procedures have been updated to follow CDC guidelines. Facility staff have been trained to conduct regular building cleaning rounds, with additional cleaning in high traffic areas. Additional cleaning equipment has been purchased and added to the daily cleaning regiment.

You will also notice some other changes to the arena, including directional signage at all entry points and throughout the facility outlining rules, regulations, and distancing protocols. Doors will be propped open where possible. Certain areas of the arena will be off limits and extra hand sanitizing and wipe stations have been added throughout the facility. Plexiglass shields have been set up where staff/guest interaction is common.
