Our Mission

Our mission is to provide our WIA families with a safe and interactive outlet for their children during the school semester. While schooling may look different for every student, WIA strives to provide a consistent and comfortable environment to learn, develop and play hockey!

Our Team

Our team is here to provide academic support to our students off the ice and experienced coaching on the ice. Our team strives to deliver a memorable experience in the arena for all of our participants.

Covid Precautions

Safety is our number one priority at WIA. We will be following all of the appropriate guidelines to keep both our guests and staff safe and healthy. Our on and off ice accommodations are designed to provide a clean, friendly and engaging atmosphere for everyone. Please visit warroricearena.com for a full list of facility protocols.

program breakdown

What is the Hockey Hybrid Program?

This program will offer both on and off ice sessions where the students will develop athletically and academically during the school year.

Starting Week of September 14th

Grades 5 - 9

\$150/day

2 day minimum

Application Required

Daily breakdown includes: 2.5 hours of on-ice skills and 3 - 4 hours of off-ice academic support.

Each application will be carefully reviewed as it is received. The program will be filled first come first serve, based on schedule accommodation.

Other Important Notes:

- Children must bring their own devices, charging cables, and headphones every day.
- WIA will provide pens, pencils, and basic school supplies.
- Children must bring their own lunch, snacks, and water bottle.
- Children must bring head to toe hockey equipment and be able to dress for the ice independently.
- Application submission required in advance.
- Payment & registration will become available through DASH.
